Annex 1: How do users check if they have set up their 2FA?

2FA Check

To confirm that you have already set up your SingPass 2FA:

1. Log into your SingPass account at www.singpass.gov.sg
2. Click "My Account"
3. Click "Manage 2-Step Verification"

If you have not set up your 2FA, you will see a message prompter that will guide you to set it up.
